
Experience EVPL Regardless of Where You Live

PLAC and Subscription Cards offer you access to EVPL materials and resources regardless of where you live. With your card, you can browse our downloadable materials, check out an item at one of our locations today, or search some of our databases. Begin exploring all EVPL has to offer when you pick up your PLAC and Subscription Cards at any public Indiana library.

PLAC

Established by the Indiana General Assembly (IC 4-23-7.1-5.1), PLAC is the Indiana statewide Public Library Access Card program, allowing any Indiana resident with a valid public library card the opportunity to borrow materials from any public library in Indiana with their PLAC card.

Subscription Card

A Subscription Card is issued to borrowers who do not live in Indiana or do not have an Indiana library taxing district.

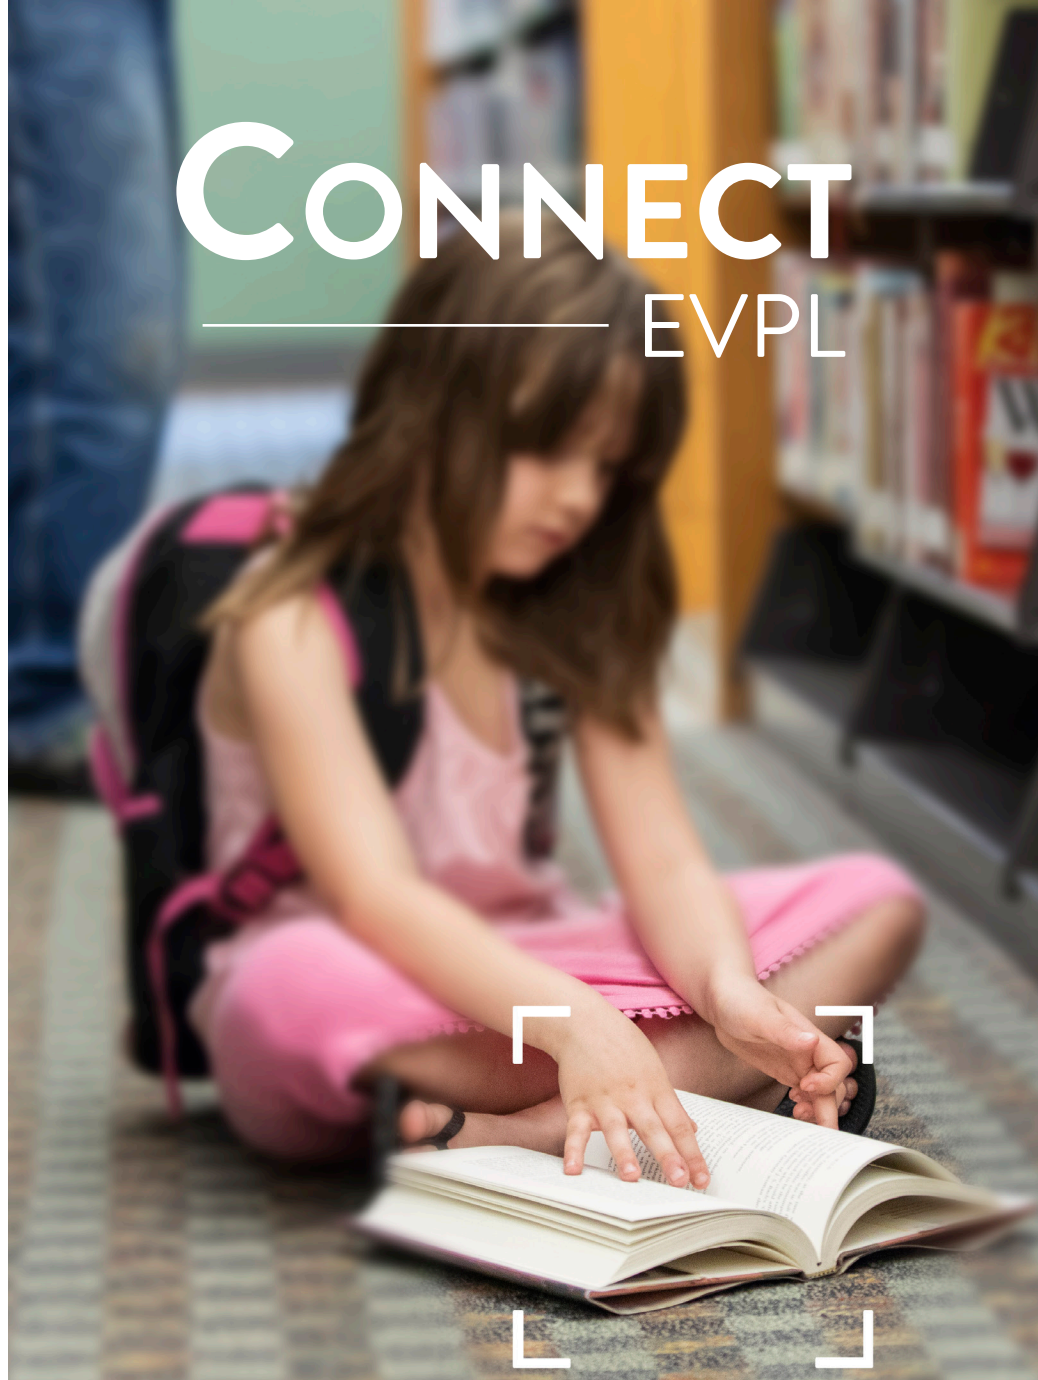

Cost and Renewal

Due to Indiana public libraries support from property tax dollars paid by individuals who reside in the library district, both cards have a fee associated with them that may change annually per the Indiana State Library and EVPL Board of Trustees. The cards expire one year from the date of purchase and can be renewed annually, provided continued eligibility and payment of fees.

For more information, including fees, please call (812) 428-8219 or visit evpl.org/services/library-card.
