Returns

Checked-out items may be returned to any EVPL location.

Renewals

In most cases, two renewals are allowed unless there is a hold on the item. Walk-in customers may have items renewed at the Circulation Desk, with or without having the materials in hand. Customers may also renew items through the My Account section of our web page; by calling (812) 428-8249 (except holidays); or by calling their branch library.

*Number of Items

The maximum number of items that a customer may borrow at one time is based upon their card type (new borrower, resident, out-of-county student). If you have questions about the limits associated with your card, please check at the desk.
