#### EVPL offering limited in-person services, curbside service

Evansville, IN, November 6, 2020 – In continuation of the Evansville Vanderburgh Public Library’s phased reopening plan, limited in-person services with public hours will begin at all EVPL locations, except EVPL East which is still undergoing construction, starting Monday, November 9.

“We know our community relies on EVPL for access to information, resources, and entertainment,” said EVPL CEO-Director Scott Kinney. “We hope that by offering limited in-person services and several excellent digital resources, we can safely serve our community.”

The public may visit EVPL locations Monday through Friday from 2:00 pm to 6:00 pm and on Saturday from 9:00 am to 1:00 pm.

EVPL buildings and procedures have been modified to minimize the risk of potential exposure. Plexiglass has been placed in high-traffic interaction areas, including circulation and information desks. Distancing reminders have been placed throughout library locations, and furniture has been rearranged. Computer stations have been shifted to ensure social distancing and will be regularly disinfected. Meeting rooms and study rooms are closed to the community and staff.
