The Evansville Vanderburgh Public Library is delighted to share **STORYTIME TO GO** kits with families in our community!

Our kits - each complete with songs and storytime tools - are perfect for storytimes with your child! Reading, writing, singing, talking, and playing are the five early literacy skills needed for children to learn how to read on their own. Using your Storytime To Go kit, have fun with your little one as you sing, dance, and make music while they learn new words and how to create other words by combining sounds - an excellent way to build the early literacy skills needed for learning to read!

Don't forget to find us on Facebook and YouTube at @evplibrary for our virtual storytimes with content for all ages. Please feel welcome to share your Storytime To Go experiences by tagging us on social media with #MyEVPL or by emailing us at programming@evpl.org.

Beanbags are a great way to engage your child and practice moving our bodies! Balancing the beanbag on your child's head while they try to work or passing the beanbag from hand to hand teaches body awareness and skills that help when learning to write.

Shakers are a simple way to make dancing to music even more fun! Shaking high and low, loud and soft, or quick and slow helps with learning our opposites and our action words.

Scarves are a colorful way to encourage dancing and movement! Playing peekaboo and creating different shapes with the scarf are great opportunities for learning shape and directional words.

Bubbles are an exciting way for you to help your child grow! Chasing after bubbles or teaching your little one to blow bubbles helps build muscles needed for play and language development.

Bubbles can also be used as a centering activity if your child is overstimulated. Listen to some quiet, relaxing music and focus on play with a five minute bubble break.

SHAKERS

Try to shake with the beat of the music, or shake with each syllable of a word. Take turns shaking your shaker on different body parts (head, arm, toes).

SHAKE TO MY LOU

Tune: Skip to My Lou
(You can use this for scarves too!)

Shake, shake, shake to my Lou,
Shake, shake, shake to my Lou,
Shake, shake, shake to my Lou,
Shake to my Lou, my darling!

Shake up high, shake down low,
Shake up high, shake down low,
Shake up high, shake down low,
Shake to my Lou my darling!

Shake it fast, shake it slow,
Shake it fast, shake it slow,
Shake it fast, shake it slow,
Shake to my Lou my darling!

Shake it out and shake it in,
Shake it out and shake it in,
Shake it out and shake it in,
Shake to my Lou, my darling!

SHAKE YOUR SHAKERS

Tune: London Bridge

Shake your shaker in the air,
Shake it here, shake it there.
Shake your shaker in the air,
Shake your shaker.

Shake it high and shake it low,
Shake it yes, shake it no.
Shake it high and shake it low,
Shake your shaker.

Shake it up and shake it down,
Rub your shaker on the ground.
Shake it up and shake it down,
Shake your shakers
Shake it near and shake it far,
Drive your shaker like a car.
Shake it near and shake it far,
Shake your shaker.

Shake it fast and shake it slow,
Shake it stop, shake it go.
Shake it fast and shake it slow,
Shake your shaker.

IF YOU'RE HAPPY AND YOU KNOW IT GIVE A SHAKE

Tune: If You're Happy and you Know It

If you're happy and you know it give a shake
If you're happy and you know it give a shake
If you're happy and you know it
And you really want to show it
If you're happy and you know it give a shake!

If you're happy and you know it give a tap
If you're happy and you know it give a tap
If you're happy and you know it
And you really want to show it
If you're happy and you know it give a tap!

If you're happy and you know it give a clap
If you're happy and you know it give a clap
If you're happy and you know it
And you really want to show it
If you're happy and you know it
Give a clap!

If you're happy and you know it do all three!
(shake, tap, clap)

If you're happy and you know it do all three
(shake, tap, clap)

If you're happy and you know it

BEANBAGS

Beanbags are a great way to engage your child and practice both fine and gross motor skills!

BUTTERFLY, BUTTERFLY

Hold the beanbag in one hand and swing your arms above your head. Pass the beanbag to your other hand above your head while reciting the following poem.

Butterfly, butterfly
In the sky
Flap your wings
And up you fly!
Back and forth
To and fro
Up, up and...
Away you go!

FROGGY'S HOPPING

Have your child pretend the beanbag is a frog as they bounce the beanbag from body part to body part.

Froggy's hopping on my toes,
on my toes, on my toes!
Froggy's hopping on my toes....RIBBIT!

Froggy's hopping on my knee,
on my knee, on my knee!
Froggy's hopping on my knee... RIBBIT!

Froggy's hopping on my tummy,
on my tummy, on my tummy!
Froggy's hopping on my tummy...RIBBIT!

Froggy's hopping on my shoulder,
on my shoulder, on my shoulder!
Froggy's hopping on my shoulder...
