#### Public invited to give thoughts on future of EVPL's facilities

Evansville, IN, August 11, 2021 – The Evansville Vanderburgh Public Library invites the community to share their thoughts and visions for EVPL during the library's Master Facility Plan Community Engagement Public Sessions.

Sessions will focus on gathering feedback on the community's needs, wants, and aspirations. The sessions will incorporate examples and best practices from leading libraries, aiming to collect information for future library planning.

"Hearing from our community members – EVPL users and non-library users – is of the utmost importance as we plan for the future of our library system," EVPL CEO-Director Scott Kinney said.
