## **EVPL expands the Library of Things**

*Evansville, IN, September 28, 2021* – The Evansville Vanderburgh Public Library is expanding our newest initiative, the [Library of Things](#).

The Library of Things is an extension of our collection, beyond our books, movies, and music.

“We are excited to bring the [Library of Things](#) to our community,” said EVPL CEO-Director Scott Kinney. “By offering items like musical instruments, outdoor games, and cultural passes, we are achieving our mission of cultivating curiosity by creating wonder.”

The newest items in EVPL’s [Library of Things](#) include a variety of outdoor games. The games include bocce ball, croquet, and pickleball equipment.

Items from the Library of Things can be checked out like any other item in EVPL’s collection.

The outdoor games join [ukuleles](#), [keyboards](#), and [cultural passes](#) already in EVPL’s Library of Things.

Additional items will be added to the Library of Things monthly. To see what is part of the Library of Things collection, visit [evpl.org/libraryofthings](http://evpl.org/libraryofthings).

The Evansville Vanderburgh Public Library has served our community for more than a century. With eight locations throughout Vanderburgh County, immediate access to hundreds of thousands of digital resources, and a dedicated team of library professionals, EVPL strives to create opportunities for you to discover, explore, and connect with your library.
