EVPL hosting a variety of TeenTober programs

Evansville, IN, October 1, 2021 – This October, the Evansville Vanderburgh Public Library is participating in the nation-wide initiative, [TeenTober](#), by hosting several programs.

TeenTober strives to raise awareness of the importance of year-round teen services and connect local teens with resources and materials provided by EVPL that will help them develop new skills and fuel their passions.

“We are committed to providing the teenagers of our community the materials, resources, and services they need to discover interests and explore their wonder,” said EVPL CEO-Director Scott Kinney. “TeenTober is another opportunity to highlight the depth of support we can provide.”
