Evansville, IN, November 18, 2021 – The Evansville Vanderburgh Public Library will offer an opportunity to capture memories this holiday season during our newest program, Seasonal Snapshots.

Here is how it works: sign-up for a 15-minute photography session that will take place on our festive set. Each session can have up to 6 individuals. You will receive 3-5 digital photograph files – perfect for holiday cards or your own personal collection. While an EVPL card is encouraged, it is not required for this program, and it is completely free.

“We are always looking for innovative ways to create experiences for our community, and this new program is the perfect way to start the holiday season,” EVPL CEO-Director Scott Kinney said. “We hope these photographs capture special memories that will live on for generations to come.”

This program will take place on two dates. Registration is required.
