Share a special valentine with a community hero

Evansville, IN, January 19, 2022 – The Evansville Vanderburgh Public Library invites the community to share a message of thanks to those who have been on the frontline of the pandemic with the library’s newest initiative, Hearts for Heroes.

Hearts for Heroes, a continuation of EVPL’s annual Valentines for Veterans, offers community members the opportunity to write a special valentine with a message of thanks, encouragement, or support for those individuals that have been on the frontline during the pandemic.

“We appreciate all those who have been tirelessly working to care for our community during these challenging last two years,” said EVPL CEO-Director Scott Kinney. “Hearts for Heroes offers the opportunity to recognize the sacrifice, service, and resilience of our local heroes.”

Valentines are available at any of the eight EVPL locations and on evpl.org. The cards should be returned to the Hearts for Heroes mailboxes at any of our eight EVPL locations no later than Wednesday, February 9.

The Evansville Vanderburgh Public Library has served our community for more than a century. With eight locations throughout Vanderburgh County, immediate access to hundreds of thousands of digital resources, and a dedicated team of library professionals, EVPL strives to create opportunities for you to discover, explore, and connect with your library. For more information, visit evpl.org.
