### Local teens invited to share thoughts, collaborate with the library

Evansville, IN, February 23, 2022 – Local teens are invited to join the Evansville Vanderburgh Public Library’s newly formed Teen Advisory Group.

The group will work with EVPL team members to provide insight into teen interests and share ideas for growth of EVPL’s teen-centric resources and services. Members of the Teen Advisory Group may participate in volunteer work, assist with programming, and promote library services throughout the community.

“This is an exciting opportunity for teens to have a direct impact on the future of EVPL’s programs and services, while gaining volunteer experiences and building new skills,” said EVPL Central’s Adult & Teen Librarian and Teen Advisory Group mentor Kelli McDaniel. “Our team is ready to collaborate with our teen volunteers to enhance our library’s offerings for our community.”

The Teen Advisory Group is open to any teen in grades 7 through 12, ages 12 to 17. Members must complete an EVPL volunteer application with a parent or guardian signature.
