Get your spring seasonal snapshot taken at EVPL

Evansville, IN, April 19, 2021 – The Evansville Vanderburgh Public Library will offer an opportunity to capture memories with our Seasonal Snapshots program.

Here is how it works: sign-up for a 15-minute photography session that will take place on our festive set. Each session can have up to 6 individuals. You will receive 3-5 digital photograph files. While an EVPL card is encouraged, it is not required for this program, and it is completely free.

“We had great success with our first Seasonal Snapshots program,” EVPL CEO-Director Scott Kinney said. “We were honored to photograph many families this past winter and are looking forward to once again offer the opportunity to capture special memories for our community this spring.”

This program will take place on two dates. Registration is required.
