EVPL adding new service in collaboration with USI, Deaconess Clinic

Evansville, IN, May 10, 2023 – In collaboration with USI and the Deaconess Clinic, beginning May 15, the Evansville Vanderburgh Public Library will provide access to library spaces and equipment for the purpose of telehealth appointments.

“We are proud to partner with USI and Deaconess Clinic on this evolution of library services,” EVPL CEO-Director Scott Kinney said. “By expanding our services to provide spaces for telehealth, the library is fulfilling our purpose of removing the barrier to access.”

Telehealth visits work by virtually connecting patients with their healthcare provider. Four EVPL locations will have a space and technology available for telehealth visits.

EVPL Location	Appointment Days	Appointment Times
EVPL Central	Mondays & Wednesdays	9:15 – 11:15 am
EVPL North Park	Thursdays	9:15 – 11:15 am & 12:00 – 2:00 pm
EVPL Oaklyn	Mondays & Wednesdays	9:15 – 11:15 am
EVPL Red Bank	Tuesdays	9:15 – 11:15 am & 12:00 – 2:00 pm

Once a telehealth appointment has been made with a healthcare provider, a space can be reserved at an EVPL location by calling 812.428.8200. EVPL staff will help set up any necessary technology for the appointment which may include a laptop, headphones, and speakers. [More information about what to expect before, during, and after a telehealth appointment can be found on EVPL’s website.](#)

The Evansville Vanderburgh Public Library has served our community for more than a century. With eight locations throughout Vanderburgh County, immediate access to hundreds of thousands of digital resources, and a dedicated team of library professionals, EVPL strives to create opportunities for you to discover, explore, and connect with your library.
