Thank you for your interest in being an Honorary Librarian at EVPL! We hope that you will enjoy learning more about the library through this program, and working alongside an EVPL staff member to create an opportunity for our community to learn about your favorite topic. There are some guidelines for participating in this program. Please acknowledge that you have reviewed this document by clicking YES on the application.

1 Participants will be asked to focus on one of the three topics in their application process. A library staff member with similar interests will work with you to create your project. Here are some resources to help you gather ideas:
   - EVPL YouTube
   - EVPL Blogs

2 Your project will follow the same guidelines that EVPL staff members use to complete their displays, book lists, and book talks.
   - Who is being represented? Who is being left out?
   - Whose voices are represented?
     - Is this self-representation? If not, is it respectful representation?
   - What formats are represented? Are there accessible options?
     - Accessible options may include large type, audiobooks, DVDs, Hi-Lo books, etc.

3 You can suggest a title and look for your project’s visual components, but the EVPL Marketing Department will create the visuals to match EVPL Branding Guidelines.

4 If you create a display and items are checked out, EVPL staff members may add items to keep the space filled. If additional items cannot be located, the display may be removed before the end of the month.

5 Library staff will have final decisions regarding the content of choices.

If selected as Honorary Librarian, a picture of you will be shared on EVPL social media along with your booklist or a picture of your book display. EVPL staff will not share your full name or contact information with anyone from the public.
