

Instructions

Use this tracker to record books you read, and then cut out and drop off your entry at any EVPL location by the end of each month. Prize winners will be drawn each month.

All reading counts, whether you're reading print or e-books, reading to someone else, or listening to an audiobook.

Annual Reading Challenge

Read. Reflect. Build.

Join our Annual Reading Challenge as we learn how many books our community can read in 2025!

Be part of a larger community of readers who are reading for pleasure, learning, or both. This year's theme encourages us to reflect and build on what we read, whether for personal fulfillment, to teach or lead others, or to enrich our community.

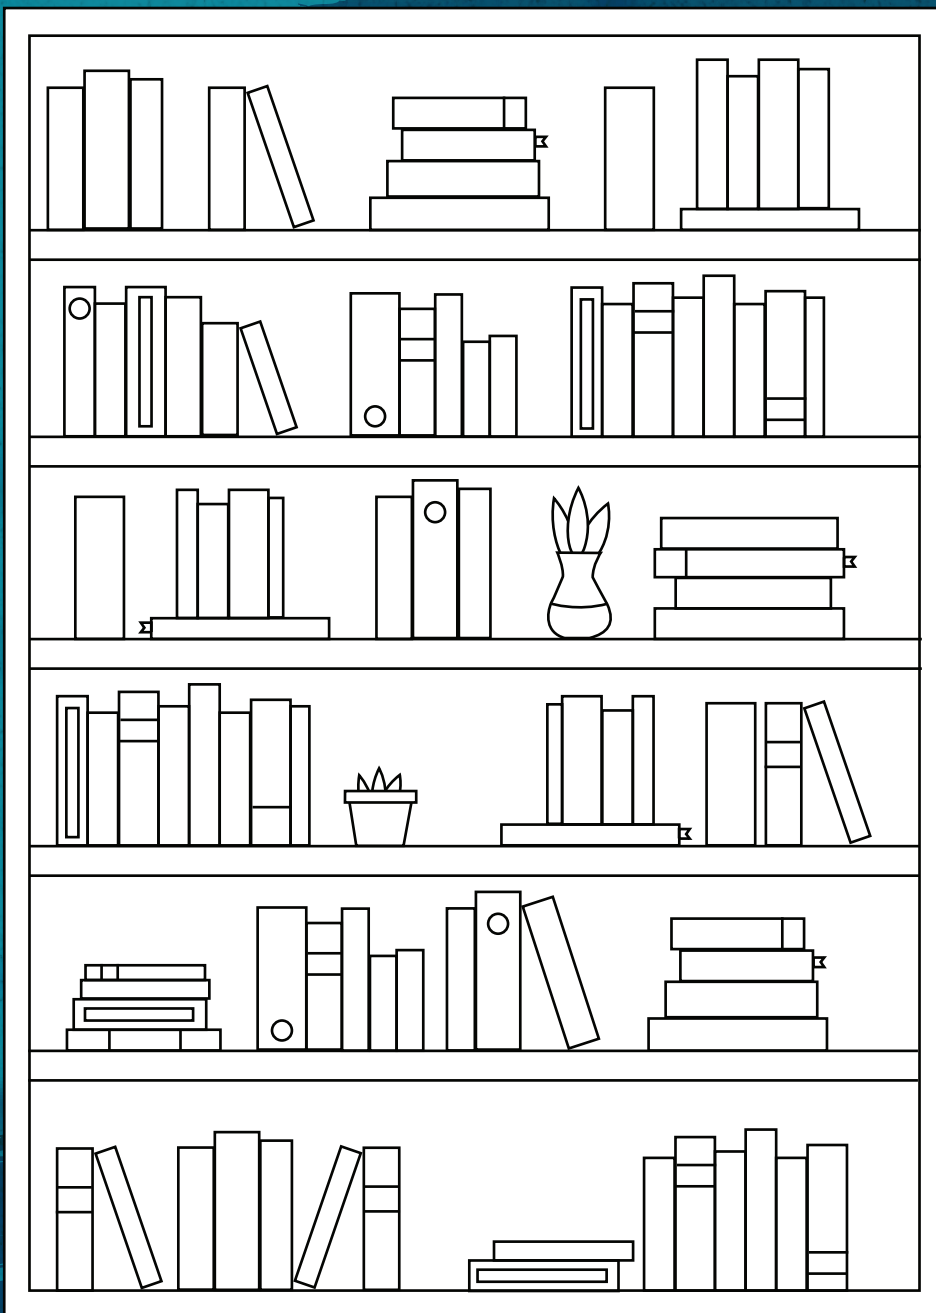

See back cover for instructions.

Annual Reading Challenge

Read. Reflect. Build.

Build your dream book shelf and fill in your reads throughout the year!
